Esaun: I will mail you a check for \$5,213, representing full payment through the week of Nov 18. Cherie and I think that once Joanne is moved, your visits can be cut back in frequency, initially to twice per week.

I understand from Cherie that you agree with this plan.

Let me add that it is not acceptable to me to receive a bill which does not reflect withdrawals of \$1,665 from Joanne's account in October, in any way. (I have not checked for withdrawals in November). You need to bill more carefully than that.

We have had problems before with your not crediting me for those withdrawals. I am unhappy that those problems continue.

Hey Bernie

I am sending you the invoices from the beginning of September through December 1st. I believe you have already covered the month of September and October. November has not been paid for.

Joanne is well and she is scheduled to be transferred to South Shore Hospital of Staten Island on Monday November 18th. Today I will be meeting with her team at Meadow View to pick up her belongings and make sure that she has what she needs for the move. I will also be presenting her with her birthday gift. She asked for a cosmetic kit by Cover Girl.

I also have an additional package of records from Meadow View that I will send out in the next couple of days. If you have any questions or concerns please drop me a line.

Thanks
